***MCW Pro Wrestling Postpones Hollywood Winter Blast 2026 Due to Impending Winter Storm;
New Date Set for February 7th.***

As we kick off 2026 and begin our 12th year of running events in Hollywood, Maryland, we want to first say how much this community means to MCW Pro Wrestling. Hollywood has become one of our favorite places to perform one of the favorite stops for our staff, talent, and countless fans who travel from across the region to spend their Saturday nights with us.

Unfortunately, due to the major winter storm expected to impact Maryland this weekend, and out of an abundance of caution for the safety of our fans, talent, staff, production crew, medical personnel, and officials, we have made the difficult but responsible decision to postpone the Winter Blast 2026 show originally scheduled for Saturday, January 24th.

The winter system forecast to move into the area could create hazardous travel conditions throughout the region. Many of our performers, crew members, representatives of the Maryland State Athletic Commission, and fans travel two to four hours or more to get to St. Mary's County. Additionally, we had talent scheduled to fly in for the event, and with the potential for flight cancellations and weather delays, we cannot risk anyone becoming stranded or traveling in unsafe conditions.

We coordinated closely with the Hollywood Volunteer Fire Department, which due to contractual and operational policies during severe weather events must ensure firefighters are available to respond to community emergencies and that the hall may be needed as a shelter. We also consulted with the Maryland State Athletic Commission, who shared concerns about the safety of those attending and working the event.

In consideration of all these factors including our own commitment to the wellbeing of everyone involved and in cooperation with both the Hollywood Volunteer Fire Department and the Maryland State Athletic Commission, we have agreed that the most responsible course of action is to postpone Winter Blast 2026.

The event will now take place on Saturday, February 7th, 2026, at the Hollywood Volunteer Fire Department. All tickets already purchased for January 24th will be honored for the new date, and we are currently updating the event listings and ticketing details.

We are also finalizing the match card and will make any updates public within the next 48 hours.

We sincerely appreciate your understanding and support as we navigate this decision with everyone's safety as our top priority. We look forward to returning to Hollywood in two weeks for our first MCW event of 2026 and more importantly, we hope you and your loved ones stay safe this weekend.
